The screenshot shows the Maxel application window. At the top left are red, yellow, and green window control buttons. The title bar contains the word "Maxel". Below the title bar is a toolbar with several icons: a right-pointing arrow labeled "Start", a plus sign labeled "Add URLs", a magnifying glass labeled "Quick Look", a delete symbol labeled "Remove", a search icon labeled "Q Filter", and a search text field labeled "Search". Below the toolbar is a navigation bar with five tabs: "All" (which is selected and highlighted in blue), "Running", "Done", "Pending", and "Failed". The main content area is currently empty, showing a light gray background. A tooltip is displayed in the bottom right corner, containing the text "Download Xcode 6.2 beta 4" and a URL: [https://developer.apple.com/d...\\_beta](https://developer.apple.com/d..._beta). A cursor arrow points towards the tooltip. In the bottom right corner of the main window area, there is a green circular button with a white plus sign (+) on it.
